G. O. (P) No. 17/09/Plg.

Dated, Thiruvananthapuram, 7th May 2009.

Read:—1. G.O. (P) No. 28/2003/Plg. dated Thiruvananthapuram 22-1-2003.

2. Guidelines on MPLADS (Revised) 11/2005 issued by Government of India.

ORDER

Government, as per their order read as 1st paper above, had empowered the District Collectors to administratively approve all works under MPLADS, limiting it to estimates costing upto Rs. 25 lakhs only. Administrative sanction works costing more than 25 lakhs, the prior approval of Government of India was necessary for permitting relaxation of the ceiling.

2. But it is now seen that, as per the revised MPLADS Guidelines issued in 11/2005, the maximum limit of Rs. 25 lakhs is seen insisted only for works for Trust and Societies from MPLADS, as per para 3.7 thereof. The maximum limit of Rs. 25 lakhs for other works stipulated in the earlier guidelines had been deleted.

3. In the circumstances, Government, after having examined the matter in detail are pleased to modify correspondingly the provision made in the order read as first paper above to the following extent:—

- (i) District Collectors are hitherto empowered to administratively approve all works under MPLADS (other than those for Trusts and Societies) to the full entitlement of each MP, without any monetary ceiling.
- (ii) In the case of works for Trusts or Societies, the maximum limit to accord administrative sanction for each work by the District Authority, without prior approval of the Government of India, will continue to remain at Rs. 25 lakhs.
- (iii) The Technical Sanction for works under LSG Public Work Rules, will be issued by District Level Technical Committee constituted for Local Self Government Institutions.
